

BARLEYGREEN is amazing!

Happy & Healthy

Here is my son who greatly enjoys the Garden Trio. He has been taking Barleygreen and Just Carrots for quite a while and has never had a drop of medicine. He is definitely happy and healthy!

Barleygreen - is an easy way for our body cells to get a balance nutrition. It has 7 times the vitamin C in oranges, 11 times the Calcium in cow's milk, 5 times the iron in spinach, a wide spectrum of vitamins, minerals, protein amino acids, enzymes, chlorophyll, and an alkaline pH.
